## 2004 STATEWIDE WORLD AIDS DAY EVENTS

Prepared by  
The New Jersey Department of Health and Senior Services  
The Division of HIV/AIDS Services (DHAS)  
Prevention and Education Unit

The World Health Organization (WHO) has set aside December 1 each year for the annual recognition of World AIDS Day. On this day, it is important to remember all who have been infected and affected by HIV/AIDS, and recommit ourselves to working towards more effective responses for preventing and treating HIV/AIDS.

The theme for the World AIDS Campaign 2004 is Women, Girls, HIV and AIDS. According to the WHO, the year-long campaign, commences on December 1, 2004. This year's campaign seeks to accelerate the global response to HIV and AIDS through a focus on women and girls - preventing new infections, promoting equal access to treatment and mitigating the impact of AIDS. For more on the World AIDS Campaign, go to [www.WHO.org](http://www.WHO.org).

The New Jersey Department of Health and Senior Services, Division of HIV/AIDS Services is sponsoring the following event:
